No. Admissions-II/SF/2015

24th August, 2015

Dear Sir/Madam,

The Executive Council, at its meetings held on 12.9.1994 and 11.11.2004, approved the creation of four "Special fellowships" exclusively for students hailing from deprived sections of society i.e. SC/ST and physically Handicapped categories and pursuing M.Phil/Ph.D. programme with a view to prepare them for taking up teaching and/or research as career. The fellowship carries on amount of Rs.12,000/- per month for one year

These fellowships are to be used for most deserving scholars who have either completed two years of Ph.D. work or are on the verge of completion of Ph.D. "These fellowships are available to those who are not in receipt of UGC, NET or any other similar fellowships". ~~The objective of these fellowships is to adequately equip the students for preparing them to a level that they can successfully compete for teaching and research assignments.~~

With this background, applications are invited from various Centres/School from SC/ST including Physically Challenged scholars together with recommendations of the Centres/School for award of "Special Fellowship" for the year 2015-16.

We shall be grateful, if you kindly forward the applications in the prescribed format. (enclosed) duly filled in (supported with detailed bio-data) of deserving students together with the recommendations of your Centre/School at the earliest preferably by **21st September, 2015.**

Yours faithfully,
